

```
gnuplotio::TextSender  
< std::complex< T > >  
::send
```

A diagram illustrating a function call. On the left, a grey rectangular box contains the text 'gnuplotio::TextSender' followed by a line break, then '< std::complex< T > >' followed by another line break, and finally '::send'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'gnuplotio::TextSender' followed by a line break, and then '::send'.

```
gnuplotio::TextSender  
::send
```
